**2016-2017 School Theme**

## RCE FAMILY AND FRIENDS

In keeping with our new year theme of 'upgrades', we will begin condensing and sending home a hard copy of the Tiger Pause each week in the Leadership Binder. A digital copy of the Tiger Pause can still be found on the school's website. In addition to our weekly Tiger Pause, we will begin electronically sending a monthly newsletter each month with other important information.

Leadership Binders go home each Wednesday. We feel, when used properly, that this is the best tool for our students, parents and teachers. Everything, and anything, of importance can be found in this binder. We encourage parents to take the time to review the weekly academic progress charted in this binder. We are striving to teach each student that ultimately they are responsible for their education, their actions and their choices. By writing, and charting these results it becomes easier and tangible to see.

*"The kids who never have any accountability for their actions  
will continue through life thinking nothing is their fault, and  
everything is owed to them."*

We hope the continued 'upgrades' make for a easier and more efficient academic life for all. Please be reminded that 1<sup>st</sup>-8<sup>th</sup> grade teachers are in their classrooms each school day 15 minutes before and after school to provide addition help for their students. Everyone should receive an email communication when students fail to complete homework assignments, perform poorly on test and receive conduct marks.

Keep in mind you are required to attend a continuing education class or an on-line class each calendar year, the link to these articles is not considered a recertification.

*If you have any questions regarding Safe Environment Training, please contact the office and our staff will connect you with our Safe Environment Coordinator.*
